# THE AMERICAN NERVINE TONIC

## AND STOMACH AND LIVER CURE

The Wonderful HEALTH BUILDER & NERVE FOOD.

Chronic Diseases are caused by Deranged Nerve Centres at base of the Brain.

LATE discoveries have absolutely proven that the Stomach, Liver, Lungs, and indeed all internal organs are controlled by the nerve centres at the base of the brain. The Nerve Food of SOUTH AMERICAN NERVINE has studied this subject closely for more than twenty-five years, and has lately demonstrated that two-thirds of our Chronic Diseases are due to the imperfect action of nerve centres, either within or at the base of the brain and not from a derangement of the organs themselves; hence that the ordinary methods of treatment are wrong.

As all know, a serious injury to the spinal cord, will at once cause Paralysis of the body below the injured part. It therefore will be equally well understood, how the derangements of the nerve centres, will cause the derangement of the different organs of the body which they supply with Nerve Fluid or Nerve Force.

The wonderful success of SOUTH AMERICAN NERVINE is due alone to the fact that it is based on the foregoing principle. The use of a single bottle of this remedy will convince the most incredulous. It is indeed, a veritable Nerve Food and Will Relieve in One Day the varied forms of Nervous Disease and Stomach Troubles.

### Nervous Diseases

This class of diseases, is rapidly increasing each year, on account of the great wear our mode of living and labor imposes upon the nervous system. Ninetenths of all the ailments to which the human family is heir are dependent upon nervous exhaustion, impaired digestion, and a deteriorated and impoverished condition of the blood. The SOUTH AMERICAN NERVINE is a great nerve food and nerve builder and this accounts for its marvellous power to cure the varied forms of nervous disease, such as Neuralgia, Nervousness, Nervous Prostration, St. Vitus's Dance, Nervous Choking, Nervous Paroxysms, Twitching of the Muscles, Hot Flashes, Mental Dependence, Forgetfulness, Sleeplessness, Restlessness, Nervousness of Females, Palpitation of the Heart, Sexual Weakness, etc., etc.

### Had Six Years

FROM NERVOUS PROSTRATION.

HALTFOURD CITY, Blackford Co., Indiana, June 8, '97.  
GENTLEMEN: I received a letter from you May 27 stating that you had heard of my wonderful recovery from a spell of nervous prostration, and asking for my testimonial. I will gladly state how I was afflicted and how I was delivered from my pain and suffering. I was near thirty-five years old, when I took down with nervous prostration. Our family physician treated me, but without benefiting me in the least. My nervous system seemed to be entirely shattered, and I constantly had very severe shaking spells. In addition to this I would have vomiting spells, and these would be from early in the morning to the very end of the day. At a time that I could not retain anything on my stomach. My physicians were held in physicians over my case, but they all agreed that I was in a very bad way. During the last I have sick my folks had an eminent physician from Dayton, Ohio, and two from Columbus, Ohio, to come and examine me. They all said I could not live. I got to having spells like yours, and would lie in bed for a week at a time. At last I had the use of my body - could not rise from my bed or walk a step, and had to be lifted like a child all the time suffering intense pain, and taking almost every known medicine. For the time I could not eat a bite, and one day saw an advertisement of your medicine and decided to try one bottle. By the time I had taken one or two bottles I could get up and take a step or two by being helped, and after I had taken five bottles in all I felt real well. The shaking went away gradually, and I could eat and sleep good, as my friends could scarcely believe it was I. I am sure this medicine is the best in the world. It was a godsend to me, and I believe it saved my life. I give my name and address, so that if anyone doubts my statement they can write me, or our postmaster or any citizen, as all are acquainted with my case. I am now forty-one years of age, and expect to live as long as the Lord has use for me and do all the good I can in helping the suffering.

Will a remedy which can effect such a marvellous cure as this above, cure You?  
A MINISTER OF THE GOSPEL SPEAKS.  
To the Proprietor of South American Nervine.  
DEAR SIR, I have much pleasure in recommending the great SOUTH AMERICAN NERVINE to all who are afflicted with nervous prostration and indigestion. I found very great relief from my first bottle, which was strongly recommended to me by my druggist. I also induced my wife to use it, who, I must say, was completely run down and was suffering very much from general debility. She found great relief from SOUTH AMERICAN NERVINE, and also cheerfully recommends it to her fellow sufferers.

(My Signature). Rev W. S. Barker.

### Sick Headache.

Is dependent on deranged nerve centres and indigestion. Hence its cure must come through building up the Nervous System and curing the Stomach. SOUTH AMERICAN NERVINE will absolutely cure this dreaded malady and prevent its return.

### A SWORN CURE FOR ST. VITUS'S DANCE.

CRAWFORDSVILLE, Indiana.  
My daughter, twelve years old, had been afflicted for several months with St. Vitus's Dance. She was reduced to a skeleton, could not walk, could not talk, could not swallow anything but milk; I had to handle her like an infant. Doctors and neighbors gave her up. I commenced giving her the SOUTH AMERICAN NERVINE Tonic, and the effects were very surprising. In three days she was rid of the nervousness, and rapidly improved. Four bottles cured her completely. I think the SOUTH AMERICAN NERVINE the grandest remedy ever discovered, and would recommend it to everyone.

State of Indiana, Montgomery County, 1897.

Subscribed and sworn to before me this May 19, 1897.

CHAS. M. TRAVIS, Notary Public.

### A WONDERFUL CURE FOR INDIGESTION and DYSPEPSIA.

Loss of Appetite, Weight and Tenderness in the Stomach, Sour Stomach, Pain in the Stomach, Wind upon the Stomach, Nausea and Sick Stomach, Sick Headache, Hiccough, Water-Brash, Heartburn, Vertigo and Dizziness, Sleeplessness, Frightful Dreams, etc.

The Stomach suffers more than any of the other organs from disease because into it are taken so many indigestible and irritating substances as articles of food. In its great effort to digest these, it soon becomes weakened and diseased. Under such circumstances, it is not wonderful that so many complain of Indigestion and weak stomachs. When the Stomach fails to digest and assimilate the food, the whole body falls into a state of weakness and decay, for Nature has decreed that the body must constantly receive nutriment through the Stomach, to repair the waste of tissue constantly going on in the system.

### The South American Nervine

Is probably the greatest remedy ever discovered for the cure of all Chronic Stomach troubles, because it acts through the nerve centres. It gives marked relief in one day, and very soon effects a permanent cure. The first bottle will convince anyone that a cure is certain.

WHAT EX-MEMBER OF PARLIAMENT, REUBEN E. TRIMAN, SAYS.  
I have been for about ten years very much troubled with indigestion and dyspepsia, have tried a great many different kinds of patent medicines, and have been treated by a number of physicians and found no benefit from them. I was recommended to try SOUTH AMERICAN NERVINE. I obtained a bottle, and I must say I have found very great relief, and have since taken two more bottles, and now feel that I am entirely free from indigestion, and would strongly recommend all my fellow sufferers from the disease, to give SOUTH AMERICAN NERVINE an immediate trial. It will cure you.

July 16th, 1897.

## LOCAL NEWS.

Senator Kirehoffer took Sunday's  
train for Ottawa.

Editor Graham of the Melita Enterprise  
was in town this week.

A. Meek, general merchant of Virden,  
was in town on Wednesday on a business  
trip.

Mrs. A. Trotter and children will be  
home next week, after spending three  
months with friends in Toronto and Kingston.

Ed. Doran returned to his studies in  
Winnipeg on Tuesday last. He had been  
called home on the occasion of his brother's  
death.

It has been decided to have the Winnipeg  
Industrial Exhibition in the summer  
time, the dates for this year being  
July 15th to 19th.

Dr. L. M. Moore and A. Patter, of  
this city, are in Winnipeg attending the  
convention of the Grand Lodge of  
Ottolowho now in session.

It is said E. Dickson will again contest  
Lonsdale. On the other hand there  
are named Messrs. Holwell, Hanna,  
Todd and Frame with possibly dark  
horses.

Monday's No. 1 train, which was 95  
hours late, was delayed near Middleton  
owing to freight train going through a  
trestle. Seven cars of flour were lost,  
but no lives.

Mr. J. C. Todd has given up his office  
on Rosser Avenue on account of slowness  
in railway and ocean passenger traffic; he  
will however open up again when the  
spring time comes again.

The two Hungarians that were brought  
down from Winnipeg some time ago, on a  
charged burglary, appeared before Judge  
Cumberland last week, the trial occupying  
two days. The Judge in summing  
up found insufficient evidence to convict  
them, and so they were accordingly  
acquitted.

The Rev. C. Pitblado, the pastor of  
the West Minister Presbyterian church,  
Winnipeg, preached at both services in  
St. Andrew's church here next Sunday.  
On Monday evening he is to lecture, it is  
not yet decided what the subject will be,  
though it will be either of the three,  
Paris, Rome or Burns. The probabilities  
are that he will lecture on Paris.

Sometime ago a report appeared in our  
paper to the effect that Baker & Turfitt,  
of Alameda, Alaska, had dissolved partnership.  
We have since ascertained how-  
ever that this report was not true, and  
we have to rectify the mistake of which  
at the time, we were not aware. We  
have no desire whatever in any way  
injure any persons, business interests.

On Thursday last Court Wheat City  
A.O.F. held their usual meeting. Forty  
only the brethren had been meeting  
during the past week, for 15 applications  
for membership were handed in, 7  
initiations taking place that evening.  
The financial returns for the past six  
months are very satisfactory. The sick  
and funeral fund having a large balance  
to their credit. The pastor's report was  
partaken of after the meeting was over.  
Songs, recitations, etc., were given by  
various members. The evening's enter-  
tainment was pronounced a great success  
by all present.

The funeral of Mr. A. Doran took place  
on Monday afternoon, and was very large  
concourse of friends. Funeral service was  
held in the Methodist church, and con-  
ducted by the Rev. Mr. Daniels and Mr.  
Mason. The pall bearers were chosen from  
among Albert's young friends. The church  
was well filled with friends and acquaint-  
ances of the deceased family. Many of  
the deceased's school acquaintances were  
there to pay their last sad respects to the  
friend of their school days. At the close of  
the service, and as the remains were being  
carried to the hearse the sunshy choir  
sang "Shall we gather at the river."

Another hockey match between two  
teams of croquet took place on Monday  
night, but this time they took to them  
advised more appropriate applications. The  
hockey team was made up as follows:  
Garnet, Irwin, Rankin, Campbell, Irwin,  
The Inevitable were captained by Irwin  
and the team made up as follows: White-  
law, Hill, Higginbotham, Deane, Wosale,  
Howell. Mr. Higginbotham referred the  
game, but the boys treated him to a knock  
down, however he took it in good part.  
The Inevitable crowd that they held  
their name in virtue of their prowess, but  
then you could not expect the poor back-  
siders to fight against such odds and have  
a tremendous Hill to climb before they  
reach their opponents goal. A fall from a  
Garret is by no means a pleasant expe-  
rience as some of the Inevitable's now  
know. At the end of the first they stood 4 to 2  
in favor of the Inevitable.

Mrs. R. F. Edgar, accompanied by her  
son, will be leaving shortly for California.

Mr. and Mrs. John Colwell returned  
on Monday last from his long visit to the  
east among old time friends.

Mr. C. W. Speers, another gentleman  
well and favorably known by many of our  
readers, is also a possible candidate for  
Brandon in Liberal interests.

It is reported that the Rev. A. Un-  
ghart, who recently left us for McCormick  
University, Chicago, has received a call  
from a congregation in Washington, Ind.

The Main Bookstore and Printing  
office will be moved into the building  
next door to Halpin's drug store next  
week, where most commodious apart-  
ments are being fitted up.

The bospital curiers returned from their  
Winnipeg visit on the delayed train  
which arrived here on Tuesday morning.  
Our curiers have the satisfaction that they  
secured the Consolation prize. They  
came out second in the Tuckett Trophy.

J. C. Watson, who was at one time a  
resident of Brandon, and well known  
here, has just recovered from a serious  
attack of illness at his father's residence,  
Stratford, Ont. Mr. Watson worked for  
a while at Wallace & Co's store, and  
afterwards took up photography with  
J. N. Merritt. His friends here will be  
glad to hear of his recovery.

Mr. A. D. Rankin met with a painful  
fall on the ice during the hockey match on  
Monday night. He made a great long  
chase for the fleeting puck, but it easily  
escaped his efforts and Mr. Rankin sank  
to the ice, his right leg doubling up  
under him. He was helped off the ice,  
and found to have given his ankle a  
severe sprain.

Mrs. Judge Cumberland gave a very  
pleasant evening's enjoyment at her  
residence on Tuesday night, to a number  
of her friends. Among those present  
were seen, Mr. and Mrs. Wheatley and  
Miss Mabel Hooper, Mrs. Douglas and  
Miss Lee, Mr. and Mrs. J. W. Fleming,  
Misses Christie, Wilson, Baker, Phillips  
and Bawty, and Messrs. Phillips, Spencer,  
Jarvis, Macdonald, Meredith, Alloway,  
R. Dixon, Rixon, Capt. Clark, and Lieut.  
Grayburn, of Winnipeg, Henderson,  
Ingles, Irwin and R. M. Matheson.

## Ministerial Changes.

There will in all probability be a  
change in Ministerial circles here shortly.  
We understand that the Rev. Geo.  
Daniels, of the Methodist church, whose  
three years' labor of love in that church  
will be finished on May 1st has signified  
his intention of leaving Manitoba. The  
Rev. H. C. Mason, of the Congregational  
church, will also probably leave in the  
spring. Mr. Mason leaves next week for  
a visit in the east, and will be away four  
or five weeks. In the meantime his  
pulpit will be occupied by divines from  
Winnipeg and other places. Mr. Mason  
has received a call from a Kingston (Ont.)  
church, but whether he will accept will  
not be decided until he returns from his  
visit in the east. If Mr. Mason leaves it  
will be with deep feelings of regret that  
we part with him, for apart from his  
ministerial duties, he has taken consid-  
erable interest in the affairs of the city.  
For two years he was a member of the  
School Board, and was well liked by the  
members.

## A Cry From Newfoundland.

A cry of distress has been heard all  
the way from the depressed province of  
Newfoundland. A letter received by a  
Brandonite this last week, from St.  
John's, the very centre of the present  
sore trouble, shows a very woeful state of  
affairs indeed.

In his letter he says, "I got paid on  
Saturday evening, but the Commercial  
Bank never opened after that, and so my  
money (bills) was as waste paper, and the  
bill that was worth five dollars, is now  
only worth \$1, or 20 cents on the dollar."

When a man takes a V into a store he  
has to be content with trading the de-  
preciated value of it out, as the store-  
keeper will not give change, for the gov-  
ernment will not guarantee the 20 cent  
rate beyond two years. Indeed some  
storekeepers refuse to take them at this  
rate. He says the streets are traversed  
by poor hungry emaciated beings, who  
have no means and no prospects of im-  
proving sustenance to the physical man.  
Silver has been bought in very rapidly.  
One man was actually seen to pay a \$10  
bill for a fifty cent piece of silver. This  
piece of news coming direct from the  
centre of such dire distress may look  
appalling and seem exaggerated, but the  
writer says it is true, and that the  
American and Canadian papers have  
endeavored to throw the brightest inter-  
pretation over the whole sad affair.

## Rev. Mr. Semmen's Visit to the far North.

The Free Press of Saturday contains a  
succinct description of the visit of Rev.  
John Semmen, chairman of the Lake  
Winnipeg District Methodist Church,  
away down Lake Winnipeg and into the  
land of far distance. He travelled 60  
miles north of Winnipeg, through in-  
tensely cold weather and after much in-  
convenience and some discomfort, but the  
writer says it is true, and that the  
American and Canadian papers have  
endeavored to throw the brightest inter-  
pretation over the whole sad affair.
